

FUTTURA CR2+ Receiver

New Product Announcement

The Benchmark of Laser Detection Performance - Improved

All the durability, reliability, and performance from the contractor's number one choice in laser detectors

- **NEW** Strobe Rejection Filter - eliminates false readings from jobsite strobe lights
- **NEW** bright, multi-color LED's - provide easier grade readings in low light conditions or over long distances

RED - above grade

GREEN - on grade

BLUE - below grade

- Two Year "**No Excuses**" Warranty
- Large front and back LCD's with 11 channel grade display - provides quick, easy to read grade information
