

The GPT-3100W

More Accurate, Longer Distance

The GPT-3100W replaces the GPT-3000W. With the new industry leading "Multi Pulse" EDM technology, we provide a longer distance and better accuracy all with less power consumption. The body and style of the instrument have not changed and neither has the pricing. This GPT-3100W series is going to maintain the same pricing as the GPT-3000W. We will maintain the longer range (4000 ft. (1200m)) GPT-3000LW.

Features of the GPT-3100W:

- Longer 1150 ft. EDM (328 ft. longer than GPT-3000)
- Narrower reflectorless beam (H: 0.8 in. x W: 0.4 in. @ 164 ft.)
- New Multi Pulse EDM
- Same GPT-3000W price
- Easier maintenance (decreased test range distance)

Specifications:

Accuracy (arc seconds)	2, 3, 5, 7
Reflectorless EDM	3mm + 2ppm
Reflectorless Range	5 ft. – 1150 ft. (1.5m – 350m)
Bluetooth® Wireless Technology	Yes
Reflectorless Beam	0.8 in. x 0.4 in. @ 164 ft. (20mm x 10mm @ 50m) 1.4 in. x 0.8 in. @ 328 ft. (35mm x 20mm @ 100m)

New Part Numbers for GPT-3100W Series:

Part #	Model
60550	GPT-3102W
60551	GPT-3103W
60552	GPT-3105W
60553	GPT-3107W

Same Part Numbers for GPT-3000LW

60343	GPT-3002LW
60344	GPT-3003LW
60345	GPT-3005LW

Special Notes:

GPT-3000LW remains due to its longer reflectorless EDM of 4000 ft. The GPT-3000W series is now discontinued.
